# Find activities

The screenshot shows a mobile application interface for the Hebrew phrase "שָׁלוֹם בִּיתָה א" (Shalom B'itha A). At the top, there are three category cards: "שָׁלוֹם יְלָדִים" (Shalom Yeladim) with a green background and a die icon, "שָׁלוֹם בִּיתָה א" (Shalom B'itha A) with a blue background and an open book icon, and "שָׁלוֹם בִּיתָה א" (Shalom B'itha A) with a purple background and a musical note icon. Below these are three activity cards, each with three yellow stars at the top. The first activity card is purple and titled "איפה שָׁלוֹם בִּבִּיתָה?" (Where is Shalom in the house?), featuring a die icon and a screenshot of a game with the number 3 circled in red. The second activity card is purple and titled "שָׁלוֹם בִּיתָה א" (Shalom B'itha A), featuring a musical note icon and a screenshot of a game with the number 2 circled in red. The third activity card is purple and titled "שָׁלוֹם בִּיתָה א" (Shalom B'itha A), featuring a musical note icon and a screenshot of a game with the number 1 circled in red. A red arrow points from the text on the right to the number 1 in the third activity card. The app interface includes a power button, a teacher icon, and a user profile icon at the top, and a blue arrow icon at the bottom right.

3

Each activity is numbered. The teacher will refer the students to the relevant activity.
